

# 555 Fourth Avenue Family Residence Overview

## General Facility Details

- The 555 Fourth Avenue Family Residence will be a mixed residential site featuring up to 105 units of Tier II shelter; 29 permanent, affordable, supportive housing units; childcare and program space for Win families; and 2,500 square feet of retail.
- The site, currently under construction, will be located at 555 4th Avenue, Brooklyn, NY, 11215.
- The site's retail space could accommodate up to three businesses, with storefront opportunities along Fourth Avenue.

## Facility/Construction Details

- The expected timeframe for occupancy is December 2019.
- The facility will have eleven floors, plus additional supportive housing program space in the basement.
- The first floor will feature the retail spaces, as well as the shelter residence's childcare space and program space. The remaining ten stories will be residential units.
- The general layout will include:
  - Up to 134 apartments of different sizes intended to meet the needs of Brooklyn families. Each unit will have a bathroom, kitchen and closets. The 105 shelter units will be fully furnished.
  - Office and counseling space.
  - Childcare room with separate spaces for infants and toddlers.
  - After-school and recreation spaces.
  - Computer lab for employment searches and educational programs.

## Residents

- The facility will be for families, mainly single mothers, with children.
- Priority will be given to families who currently live in Brooklyn.
- The current plan for the facility will house up to up to 134 families.
- Based on previous family composition data and Win's experience, roughly 1/3 of school-age children will attend local public schools, mostly elementary schools. The rest - and majority of them being older children - will be bused or take public transportation to the schools they were previously attending.
- More than 50% of Win's clients are employed, typically in the retail, food service and cleaning and maintenance sectors.
- More than 42% of the children living in Win shelters are under the age of six.
