Good morning all,

I am sitting here thinking about what makes Win so special. There are so many things, but perhaps one I do not speak to you directly enough about is how in awe I am about the great work you do every day. This year has been an extraordinary year—you have been here for our clients, your team and Win every day—regardless of the chaos that's surrounding us on a daily basis.

As if a once-in-a-lifetime pandemic wasn't enough; pervasive racial inequity followed by well justified rage in the cases of George Floyd, Breonna Taylor, and most recently Walter Wallace. In addition to the financial worries at work, at home and this election on top of everything else makes for very stressful times. Yet, every day you show up, bring your A-game, and do what you do so well. **ABSOLUTELY AMAZING!**

Given that, I want to send you a **BIG SHOUT OUT** with my deep appreciation and since we cannot all be together, I am also sending you a **GIGANTIC HUG**.

Stay well!
